

### 19. Beat the Clock!

Time is running out in the mens' championship game between the Hawks and our team. Our right wing steals the puck and streaks towards the goal. His skates seem to be flying. A Jet defender tries to cut him off. The wing is fast than the defender and dodges he. Will he make the shot in time. He swings his stick back. He and the goalie lock sticks. The wing pushed forward as hard as he can and throws the goalie off balance the wing scores a goal with 15 seconds to go. The winning goal is our!

Only seconds remain as our team, the Jets, competes against the defending team, the Hawks, in the championship game.
